INVITATION

DOLLAR\$

& SENSE

Larimer County has pulled through some terrible disasters recently. And yet, our generosity continues to shine with more records set. Please don't let the "disaster-fatigue-bug" bite you, cutting back on your local giving. We have a long cold winter ahead and many nonprofits count on our donations throughout the year.

Now that the toy and turkey drives are over, the "not-so-sexy" stuff like paying rent, staffing and keeping the lights on, still need our support. As donors, we are part of the lifeline that really makes a difference.

Giving all year long, in so many ways – this is how we build a community where everyone has the opportunity to thrive. As Harry S. Truman said, "It is amazing what you can accomplish if you do not care who gets the credit." Despite what President Truman said, you do deserve plenty of credit and definitely get it from me. Thank you for all you do for our community.

Give every day and live generously.

A NEW YEAR. NEW GIVING GOALS?

It's a new year, do your giving habits need a boost, a fresh-approach? Will you build for charitable growth in your budget? Will you add a new nonprofit to your portfolio this year?

Are you thoughtful or responsive in your giving?

"Give 10 encourages us to keep track of our giving and be more selective."

- Jennifer and Michael Guerriero

Do you budget for giving? Monthly? Quarterly?

"The 3-year Emerging Leader incentive mirrored our approach to giving...through budgeting and planning for the entire year. Only at a much larger level!"

- Jeff and Cat Cross

Do you spread the word?

"The more people give, the more it encourages others to give."

- Mike and Glory Burns

NOT YOUR FATHER'S PHILANTHROPY

Philanthropy, like most things, is rapidly changing to meet the times. More than ever before, there are resources and platforms to expand and evolve your charitable giving. In 2013, our community hosted creative ways to connect givers and causes.

Fansourcing. Crowdfunding.

- There's a handful of different names for a broad call to pull together via technology for a single cause. From beer to historic buildings, locally built, **communityfunded.org** can pair you with your passion.

Local Giving Circles

- Pooling funds can create large, local impact through local giving circles such as WomenGive, United Way of Larimer County and WISH, Women Investing in Strategies for Health. Have your own passion? Start a giving circle of your own!

Giving Days

- On December 10, Colorado Gives Day was the second largest giving day in 2013 in the country. In Larimer County alone, 4,600 online gifts totaling **\$718,722** were made to local nonprofits!
