BOHEMIAN FOUNDATION ANNOUNCES WORKSHOPS FOR MUSE GRANT PROGRAM

FORT COLLINS, Colo., February 21, 2019 – [Bohemian Foundation](#) invites nonprofits to attend hands-on workshops to discuss Muse, a responsive, competitive grant program offered by Bohemian Foundation's Music Programs.

Muse provides support to organizations that have popular contemporary music as their primary focus, or that have a program that centers on popular contemporary music. Through Muse, Bohemian Foundation makes awards of up to \$20,000 to eligible 501(c)(3) nonprofit organizations serving Larimer and Weld Counties. Applications are accepted twice per year. Funding requests must align primarily with one of Bohemian Foundation's Music Programs goals: to provide youth with encouragement and opportunities to express themselves through music; to help musicians and music-related businesses grow and develop; and to increase performances of live music.

During these workshop sessions, held in Fort Collins and Loveland, nonprofit participants will join Bohemian Foundation's Music Programs staff to discuss Muse program requirements and ways to tell meaningful stories about music-related work. Music Programs staff also will discuss the important elements of a Muse grant application. During the sessions, participants will break into small, staff-facilitated groups.

Dates, times and locations of Muse workshops are listed below. Each Muse workshop will cover the same content, so please register for only one. Bohemian Foundation will begin accepting Muse applications April 3. For more information, visit bohemianfoundation.org/music-programs/muse/application-assistance.
