Fort Collins, March 30, 2015 –Fort Collins' sixth annual Project Homeless Connect is a one-day, one-stop event on April 10 that will offer hundreds of people who are experiencing homelessness or who are at risk of homelessness a range of free services from medical screenings to bike repair.

Project Homeless Connect will be held from 8 a.m.-noon at Northside Aztlan Center, 112 Willow St. A free breakfast will be available in the morning, and a free BBQ lunch will be served from 11 a.m.-1 p.m. Nearly 60 local nonprofits, government agencies and businesses will provide on-site services. Free services will include basic car inspection; bike repair; medical screenings; basic dental screenings for adults and children; eye exams; family photos; haircuts; housing information; veterans services; ID and legal services; employment services; counseling; government benefits; child care and children's activities; bus passes; massages; toiletry packages; pet health care; and pet food.

About Project Homeless Connect

The Project Homeless Connect concept originated in San Francisco in 2004. In 2005, the U.S. Interagency Council on Homelessness launched the National Project Homeless Connect Partnership. Since 2008, more than 200 cities across the U.S., Canada and Australia have adopted the initiative. Fort Collins welcomed its first Project Homeless Connect in 2010. Since then, more than 2,000 individuals and families experiencing homelessness in the Fort Collins community have participated.
