Additional Clarification:

- Request Budgets (Organization, Program, Project)
 - Should match the timeline selected in the application.
 - For request timelines that do not match the organization’s fiscal year, please contact Bohemian staff to discuss what additional budget documents may be required.
- Prior Year Budget to Actuals (Organization, Program)
 - Should cover the most recent fully completed year.
- Financial Statements
 - Please submit your organization’s audited financials for the most recently completed fiscal year. If your audited financials are not recent (over six months from the reporting period end date), please also submit your organization’s most recent Board approved internal financial statements, including a Profit and Loss Statement and Balance Sheet.
 - If your organization does not have audited financials, upload your organization’s most recent Board approved internal financial statements, including a Profit and Loss Statement and Balance Sheet.
- IRS Determination Letter
 - Please upload this under "Organization Documents" in the Organization section in the grantee portal, not with your Pharos application.
- Top Five Funding Sources and Outcomes Table templates are provided within the application in the grantee portal. Please complete and upload them.
